Gather The Girls

MOMENTS FOR THE
LADIES TO SHARE
TOGETHER.

Spa

Unwind and relax with your bridal party in our spa.

Slip away to an elegant secluded hideaway. Enjoy peaceful moments and luxurious indulgences far from the little upheavals and frequent interruptions that upset the peace of your days.

Find refuge far from your cares and worries and relax as you make precious time for your yourself... moments explicitly set aside to soothe and refresh you... body, mind, and soul.

Wine Tasting

Raise a glass to becoming Mrs. You.

Acquaint yourself and your friends with new wines, as well as each other. Compare your tastes in wine, and any other talking points that emerge as conversation flows. Break the ice and raise a toast.

Whether you and your ladies are connoisseurs or social sippers, you'll find flavours worth raising a glass to in our extensive wine collections.

Wild Food Cooking School

Forage for native ingredients then gather around the kitchen table and share in a unique cooking and dining experience.

Join in lively banter and engaging discussion with our professional chefs as you learn about the preparation and culinary properties of each ingredient.

Create your own garnishes and watch as a delicious meal comes together before your eyes.

Walks and Hikes

Hit the trails, explore the countryside, and witness as the wonders of nature unfold.

Experience everything the estate has to offer... up close and personal and at your own pace.

Let nature welcome you back into her welcoming embrace, return to the land, and reforge connections, making new companions and reacquainting with old friends... both large and small.

Horseback Riding

Move with the sway of the horse beneath you as you leisurely make your way through the wilderness; smell the loamy perfume of the earth and the familiar scent of grass warmed by the sun; listen to the chirp of a sparrow resound through a distant meadow; delight as a timid deer wanders across the trail ahead.

Experience the estate from a new perspective with a horseback ride and picnic on the plateau.

Gather The Guys

A GENTLEMAN
NEVER TELLS...

World-Class Golf

Get your groomsmen together and challenge yourself with a golfing experience unlike any other, where you can test your skill against the challenges designed by Jack Nicklaus, one of the game's most enduring legends, as you play against the backdrop of stunning vistas and the crystal blue waters of Lake Taupō.

Created in homage to the great links courses of the British Isles, our world-class championship course will take you on a journey through a day of stimulating golf.

Fly Fishing

Don your waders, tie your flies, and find the perfect spot to set your hook.

Prepare for victory and eradicate that niggling tale of the one that got away with an amazing day of premier fishing in the pristine waters of the estate.

Enjoy beautiful scenic vistas and crystal-clear waters and enjoy some of the best brown and rainbow trout fishing in the world, regardless of season.

Hunting

Seek adventure, test your skill, and take on the challenge of hunting wild game in its natural habitat.

Let the thrill of the hunt overtake you as you stalk your prey through the pristine wilderness and expansive grounds of the estate.

Explore a plethora of wildlife and game species, test your expertise, and take home stories that will only become more cherished in the retelling.

Heli-Fishing

Head out to the back-country and discover remote spots and best kept secrets.

Take off and discover some of the area's most isolated and unspoilt fishing hotspots... or head to the coast and experience the tang of salt and spray as you cast your line.

Either way enjoy world-class fishing that will ensure an experience that is a great catch, regardless of what you bring home.

Mountain Biking

Feel the exhilaration as golden rays of sunshine kiss your skin and an errant breeze caresses the contours of your face as you head out for adventure.

Explore the well-worn trails and favoured hot spots, or venture farther afield and investigate the recesses and farthest reaches of the estate.

Scout the tracks of wildlife. Reconnoitre. Yield to curiosity.
